

REMARKS/ARGUMENTS

The final Office Action of March 31, 2004 and the Advisory Action faxed to the undersigned on June 29, 2004 have been reviewed and carefully considered.

Claims 14, 17, 18, 21-38, 40-42 and 44-53 are pending in the application. Claims 14, 17, 18, 21-38, 40, 41 and 44-53 have been allowed. Claim 42 is objected to as depending on a cancelled claim. Claims 54-58 stand rejected.

By this Amendment, claim 42 has been amended to correct its dependency, so that it now depends from allowed claim 37, and is accordingly likewise now deemed allowable.

Rejected claims 54 to 58 have been cancelled.

Accordingly, all claims now present in the application either have already been allowed or are now allowable as depending on an allowed claim. Allowance of all pending claims, and early issuance of a formal Notice of Allowance, are therefore solicited.

In the event that any fees or charges are required in connection with this application at the present time, the same may be charged to our Patent and Trademark Office Deposit Account No. 03-2412.

Respectfully submitted,

COHEN, PONTANI, LIEBERMAN & PAVANE
